(c) & (d): The local administration deals with such incidents by registering cases under the relevant laws. The Delhi Police had registered a case for raising anti-India slogans and other offences in the JNU incident. A High Level Enquiry Committee (HLEC) was also constituted by the Jawaharlal University authorities to investigate the event and action was taken against those students who were found guilty for misconduct and indiscipline.

(e) Central Universities are autonomous institutions created under the act of the Parliament which are governed by their own Acts, Statues etc. and regulations made there under and are competent to take all administrative decisions to maintain the Law and Order in the Universities.
